WINNING WATER Congratulations to the City of Kalama!

The Lower Columbia Subsection held its first annual Drinking Water Taste Test at the February 25 “Drinking Water 101” workshop. In a blind taste test, the three judges voted two-to-one which entry should represent the Lower Columbia Subsection in the upcoming Pacific Northwest Section taste test. The annual PNWS Water Taste Test is open to the most recent winner of each subsection’s taste test. The Section’s contest will be held at the annual conference in Tacoma in May and the winner will then be judged against each section’s winner at the AWWA Annual Conference & Exhibition in Chicago in June.

Good luck, Kalama!
